MBX MAT™ – WARRANTY INFORMATION

WARRANTY INFORMATION

At Les Mills merchandise limited (Les Mills) we stand behind our materials and manufacturing and offer customers who purchase a mbx mat a warranty for manufacturing faults caused by materials or labour that occur during the one year warranty period. Les Mills and its local MBX MAT™ distributor will, at their discretion, either repair or replace a faulty MBX MAT™ in accordance with the conditions set out below.

PERSONAL USE CUSTOMERS ONLY

As a consumer, you are entitled to the applicable legal rights stated in your national legislation concerning the commerce of consumer goods. This warranty does not restrict these rights.

WARRANTY TERMS

This warranty is only valid in countries where Les Mills has an authorized MBX MAT™ distributor. It covers manufacturing faults occurring during the warranty period in MBX MAT™ purchased from Les Mills or a distributor authorized by Les Mills. The warranty applies only to the original purchaser and does not cover second hand or re-sold MBX MAT™. The MBX MAT™ must remain in the possession of the original buyer/owner and bear the original manufacturer's batch code. The one year warranty period commences from the date on which the original buyer purchases the MBX MAT™. Warranty repairs will not extend the warranty period.

You can find the batch code details for your MBX MAT™ as a series of embroidered lines located on the stitched Les Mills label.

EXCLUSIONS

This warranty covers only failures due to manufacturing faults that occur during normal use. This warranty does not extend to faults resulting from normal wear, misuse, abuse, damage incurred during loading or transportation, where the MBX MAT™ has been used other than as recommended by Les Mills (see the instructions below and our guidelines for using the MBX MAT™ at www.lesmills.com/merchandise/equipment/care) or modified without the consent of Les Mills, or improper storage. This warranty is invalid where the MBX MAT™ equipment does not bear its original batch code. The warranty is invalid where the MBX MAT™ that is the subject of the warranty claim has been disposed of prior to a warranty claim being closed by Les Mills.

Neither Les Mills nor its authorized local MBX MAT™ distributor will be liable for any defects due to reasons beyond their control or for consequential damages or for breach of any implied warranty on the MBX MAT™.

CLAIM PROCESS

For enquiries, or to make a warranty claim, either contact your local Les Mills authorized MBX MAT™ distributor, visit our website www.lesmills.com/merchandise/equipment/warranty/or email Les Mills at warranty@lesmills.com. Please keep your invoice as proof of purchase as you will need this to submit a warranty claim.

You will also need to include the following details about the faulty MBX MAT™: the batch code, date of delivery, information about the place and conditions of use of the faulty MBX MAT™ and a precise description of the fault (including photographs). The Les Mills' local MBX MAT™ distributor will liaise with Les Mills to assess the issue and determine if the warranty applies. We will then work with our local MBX MAT™ distributor to repair or replace the MBX MAT™. If we ask you to return the faulty MBX MAT™, we will cover the cost of doing so.
